

TEMECULA TRITONS SWIM CLUB

P.O. 891612

TEMECULA, CA 92589

Three Practice Locations:

Community Recreation Center, Temecula

Chaparral High School, Temecula Murrieta

Mesa High School, Murrieta

July 18, 2016

The Temecula Tritons Swim Club, (TMEC) has proudly represents the Temecula, Murrieta, and surrounding areas in USA Swimming Inc. events and has done so since 1996. We are growing, on March 1, 2015, TMEC swimmers took their inaugural swim in our third practice location at Murrieta Mesa High School. Our elite program coaches over 350 youth swimmers from the immediate area, ages 5-19 years old, all different swim abilities.

The TMEC Swim Club will host its second meet of the 2016 season at Chaparral High School on December, 17, 2016. Potentially over 600 swimmers and their families from the Inland Empire cities of Corona, Moreno Valley, Riverside, Hemet, Elsinore, Redlands, Yucaipa, Palm Springs, Victorville and Claremont will be in attendance for this December swim meet. The December 2016 Swim Meet will complete the first step in TMEC's quest to host higher level USA Swimming events at TMEC. We will also be hosting two additional swim meets in the 2017 year as well.

TMEC is looking to the community to build partnerships that would help the team initiate the bid process with USA Swimming. The team is offering sponsorship opportunities to help offset the cost of the December swim meet, so that the team may exhibit its ability to host a professional and enjoyable swim meet at either Chaparral High School or Murrieta Mesa High School. TMEC is a non-profit organization (Tax ID Number: available upon request), so all donations would receive tax deductions per the current IRS Guidelines.

TMEC, wants you to consider the sponsorship opportunities detailed in the attached form. These options will benefit your business, help our organization, and contribute to the community.

The ultimate goal of the TMEC Swim Club is to become a host team for Southern California Regional swim meets, wherein swimmers from near and far compete at Chaparral or Murrieta Mesa High School. These future meets would bring over 1,000 swimmers and their families from over 50 teams throughout Southern California and Nevada to Temecula/Murrieta for competition. The hotels, restaurants, retail stores, and gas stations would all benefit from the economic impact of this venture.

Our meet coordinator will be more than happy to answer any questions you may have about our team and the upcoming event. You may also learn more about our team by visiting our website at www.tmeCSWim.org.
